THANK YOU

Dear Friends,

The NVNA and Hospice Charitable Fund is proud to report another record-breaking fundraising year in support of our non-profit care throughout 27 towns across the South Shore.

Our organization has provided home care and hospice services to the community for over a century, and we have proudly expanded on our patient care so that more families are able to receive the services they need. Every step forward we have been able to take is due to belief in our mission and philanthropic support.

Our mission is clear, and we are grateful for the community's investment. On behalf of the patients and families we serve, thank you to our donors who help us carry on this legacy of care.

Sincerely,

Renee McInnes, MBA, RN
