Mission Statement

Our non-profit mission at NVNA and Hospice is to provide quality home health care, wellness, and public health services in the community.

THANK YOU

Dear Friends,

The NVNA and Hospice Charitable Fund is proud to report another record-breaking fundraising year in support of our non-profit care throughout 27 towns across the South Shore.

Our organization has provided home care and hospice services to the community for over a century, and we have proudly expanded on our patient care so that more families are able to receive the services they need.

Our mission is clear, and we are grateful for the community's investment. On behalf of the patients and families we serve, thank you to our donors who help us carry on this legacy of care.

Sincerely,

Renee McInnes, MBA, RN
