A custom roadmap of resources, options, and directions for dementia patients and families

- ✓ Best options and implement ideas for loved ones with Alzheimer's and other dementias
- ✓ Custom family meeting and individual plan that considers both family dynamics and preferred living environments
- ✓ Help answering common family questions like:
 - ❖ How do we keep our loved one safe at home?
 - ❖ When is the right time to bring in services, what type do we need and who pays?
 - ❖ How do we tell when our loved one is no longer safe at home and what steps do we take to help?
 - ❖ How do we support the primary caregiver(s) and/or "well spouse"?
 - ❖ What do we look for in adult day health/ assisted living/nursing home?
 - ❖ How do we tell him/her they have to move?
